-  hiking trail 3
-  hiking trail 4

Maintenance of hiking trail

Under 1000 mt
altitude:

- vegetation growth
- rains
- landslides
- unfrequented (by
people and animals)

EUROPARC
F E D E R A T I O N

**EUROPEAN CHARTER
FOR SUSTAINABLE TOURISM IN
PROTECTED AREAS**

- **Prepare and implement a sustainable tourism troughs various objectives for the development and management of tourism. That include:**
 1. conservation and enhancement of the environment and heritage,
 2. economic and social development,
 3. conservation and improvement of the quality of life of local residents, also trough their collaboration
- **Protect and enhance the natural and cultural heritage of the area, for and through tourism**
- **Provide all visitors an high quality experience under all aspects**
- **Encourage the promotion of specific local products which enable the discovery and knowledge of the area**

The elements on which to focus the activities of acquisition of new arrivals

- The extension of the period of usability
- The incentive proposal tied to nature (guided tours organized by WWF, CAI) and environmental education
- The creation and strengthening of structures based on small businesses

New trend..

- enogatronomic tourism
- outdoor tourism (trekking, hiking)
- rural and cultural tourism

Greetings from Abruzzo

Cascata delle Murrice, Rocca S. Maria
